

# Fan

10HW

There are pieces of furniture that do not age - constantly appreciated, with a timeless design that fits perfectly into any interior. Fan is an elegant, comfortable and at the same time very distinctive armchair - with a detail of a semi-circular seam. This is our most recognizable model on the market. Piotr Kuchciński designed it with both offices and home spaces in mind.

## Collection features:

---

- several types of bases - glides and castors as well as wooden legs which perfectly match the SW40 and SAM tables
- additional cushion improves comfort of use
- the collection also includes a cantilever sofa
- thread options: matching the upholstery color or decorative in one of 16 Pantone colors
- Möbelfakta certificate - a guarantee of durability, safety, environmental care and social responsibility during the production process
